REMARKS/ARGUMENTS

Reconsideration of this application is requested.

The original abstract was objected to because it exceeded 250 words in length. A revised substitute amended abstract is herewith submitted which is less than 150 words in length and it is believed now conforms to MPEP Sec. 608.01(b).

Claims 2-3 were rejected under 35 USC 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claims 2-3 are herein amended in response to this rejection and have been corrected to address the problems pointed out with regard to the antecedents of certain elements.

Additional fees are not seen to be necessary.

In view of the amendments and remarks, it is respectfully requested that all claims as amended be allowed and that this application be passed to issue.

Respectfully submitted,
